**DULLSTROOM HIGHLANDS WINE EVENT**  
**FRIDAY 29th SEPTEMBER AND 30th SEPTEMBER 2017**

Echo Events are very excited to announce our second Wine event in Dullstroom. After the success of our first event in Dullstroom we were requested to launch two more Wine Routes during 2017 and to repeat the Dullstroom event.

Five Restaurants in Dullstroom will be our partners in this event and we would like to invite you to participate in the Wine Festival.

The Highlands Wine Route event will start with a Safari food and wine pairing experience the Friday evening and will host a second evening on Saturday where we can host only 50 people per Safari. We are expecting between 500 - 800 visitors for the Saturday wine tasting at five restaurants. The 2016 visitors were excited about the fact that they could walk around the village with their wine tasting glass.
